The Winchester name stands for a history of reliability and integrity. Each Winchester Safe is manufactured to enhance the reputation for quality and workmanship that customers expect. Winchester Safes are manufactured to exact tolerances and Underwriters Laboratories requirements and are monitored consistently in the production process for compliance. This is your assurance that your Winchester Safe is the “best in the industry.”

LIMITED LIFETIME WARRANTY

Each Winchester Safe comes with a transferrable, Limited Lifetime Warranty against defects in materials and workmanship.

Free Replacement Guarantee

If your Winchester Safe is ever damaged in a fire or burglary attack, we will repair or replace the safe **Free of Charge**. The Free Replacement Guarantee service includes:

- Free replacement safe
- Free locksmith service to open the safe
- Free curbside delivery of the replacement safe

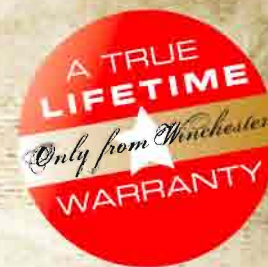

Your Winchester Safe truly gives you the peace of mind that you want when

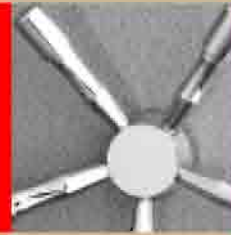

- Free curbside delivery of the replacement safe

Your Winchester Safe truly gives you the peace of mind that you want when storing your valuables. For complete details of our Limited Lifetime Warranty, please visit our website.

Environmentally Friendly

In all cases possible, Winchester Safes utilize recycled materials. These recycled items can be found in our packaging, interiors and even the steel itself. We use a VOC free powder paint finish that doesn't emit any chemicals into the environment.

Features

HARD PLATE DRILL RESISTANT

Frustrating all methods to break inside, the hard plate provides ultimate protection from theft.

RELOCKER MAXIMUM SECURITY

Tampering with the lock activates the relocker into position, offering a back-up for greater security.

UP TO 4-WAY ACTIVE BOLT

Penetration on all four sides of the door with multiple solid steel locking bolts ensures that the door is unbeatable.

Legacy 53 - Black CH53 - Black Glass - Mechanical Lock

LOCKS TWO STYLES

Each safe is fitted with an electronic or a classic mechanical lock.

CHAMBERLAIN DISK LOCK PROTECTION

A UL[†] listed Chamberlain disk provides a drill-resistant area around the lock.

HINGES

180° DOOR OPENING
Mounted externally for greater support, a 180° door opening and 100% fireboard protection inside the safe.

DOOR PANEL ORGANIZER

ADDITIONAL STORAGE

Keep small items of financial and sentimental value in convenient compartments on the back of the door. Having a place for hand guns, jewelry and other valuables makes them easily accessible and less likely to be lost.

PALUSOL[®] FIRE PROTECTION

Sealing the door for additional fire protection.

CONVERTIBLE INTERIOR ADJUSTABLE TO YOUR NEEDS

Customize the location of shelves to maximize space for your guns, ammunition and important papers.

UNRIVALED GUARANTEE

The best Limited Lifetime Warranty in the industry protects your valuables and your investment in their security.

IF YOUR WINCHESTER SAFE IS DAMAGED IN A FIRE

- Free repair or replacement of the safe

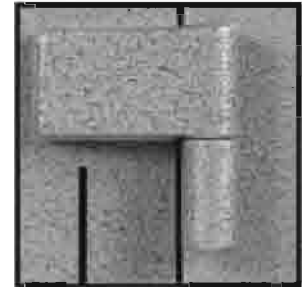

ADDITIONAL SERVICES:

- Free replacement safe
- Free locksmith service to open the safe
- Free curbside delivery

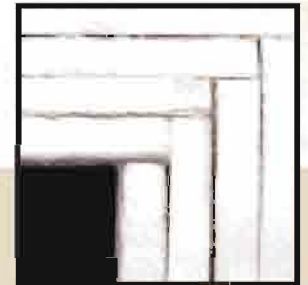

Fire Protection

WINCHESTER SAFES MAKE A DIFFERENCE

One of the major reasons to purchase a Winchester Safe is to protect valuable possessions from fire. True to the Winchester reputation for quality, Winchester Safes have the best overall fire ratings in the industry. With a typical house fire at 1200°, all of the Winchester Safes meet or exceed this extreme temperature. External hinges allow for complete fireboard coverage in every Winchester Safe.

Testimonial

Photos contributed by Charlie N.

ACTUAL LIVING PROOF

"I thought it would never happen to me!"

Charlie N. never dreamed that he would have a devastating house fire. Unfortunately, a fire raged through his home, destroying everything in its path. Thankfully, he owns a Winchester Safe. When nothing was left but the shell of the house, the Winchester Safe was still standing and everything inside was in fine condition, including his marriage license and photos. His perspective after the fire is that he wishes he had more Winchester Safes for his family. Above all, he is thankful that his family was unharmed. However,

the loss of prized possessions and the lack of total insurance coverage make owning a Winchester Safe an affordable way to protect the family from total ruin. a Winchester Safe an affordable way to protect the family from total ruin. And, Winchester Safes' post-fire **replacement guarantee** gave him a new Winchester Safe at **no cost**.

UNMATCHED PROTECTION
