

Limited Warranty

This safe made by Granite Security Products, Inc. (GSP) comes with a limited 5 year warranty, beginning on the purchase date; against defects in materials and workmanship. The mechanical or electronic lock installed by GSP is warranted by the lock manufacturer against defects in materials and workmanship for a period of 1 year from the purchase date.

This non-transferable warranty applies to the original owner only, and proof of purchase is required to obtain service.

During the warranty period; if service is required, GSP at its discretion, may repair or replace the defective safe. If the safe is defective to the extent that it can not be opened through normal means; GSP at its expense will have the safe opened and repaired by a skilled safe technician. Further, if the safe must be returned to the factory for service, GSP will pay to have the safe returned to the factory, and return freight to the owner. This warranty does not cover any cost to remove or reinstall the safe.

This warranty does not cover neglect, misuse, or abuse. It also does not cover damage caused by tampering with or any altering of any part of the product. It also does not cover consumables such as batteries for the electronic lock. The safe must not be housed in an enclosed swimming pool area. The safe is to be located in an area which is climate controlled and is to be installed as instructed in the Operators Manual.

Certain exclusions to this warranty are: safes used in a commercial or industrial environment, water damage of any kind, paint finish, and loss or damage of personal property inside the safe. This warranty also does not apply to safes located outside the continental United States.

GSP provides this warranty in place of all other warranties and assurances whether expressed or implied. GSP accepts no liability for incidental or consequential damage or loss by anyone as a result of using this safe.
